National Certificate of Conformity of the Factory Production Control

No. 009-UWB-076

In compliance with the Regulation of the Minister of Infrastructure and Construction of 17 November 2016 on establishing methods of declaring performance of construction products and method of marking with the building mark (Journal of Laws from 2016, item 1966), this certificate applies to the construction product:

Cold rolled steel sections from coil and steel plates, hot-dip or electrically galvanized intended to use in construction products

Covered by Polish Standard

PN-EN 10162:2005

placed on the market under manufacturer's name or trademark:

MFO S.A. Kożuszki Parcel 70a 96-500 SOCHACZEW

manufactured in production place:

MFO S.A. Kożuszki Parcel 70a 96-500 SOCHACZEW

This certificate confirm that all provision resulting from national system 2+ concerning the assessment and verification of constancy of performance for the declared performance of the product to relation to the intended use set out in this certificate are applied and that

the factory production control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction product

This certificate was issued on the basis of the certificate C/ZKP/10/2016 issued on 30 August 2016 and will remain valid as long as neither the Polish Standard for construction product, the AVCP method, construction product and manufacturing conditions do not significantly changed, provided that it will not become suspended or withdrawn by the accredited body certificate products.
